REPORT NO.

1. Recently, the Skoda-ASAP plant in Mlada Boleslav received an order for 50 Skoda-Super armored automobiles having bulletproof glass. The destination of these automobiles is not known.
2. Skoda-ASAP received an order from the USSR for 2,900 Skoda-Popular armored automobiles."
3. Upon direction from Prague, the plant has sent to the USSR its original designs of the Tudor and Super automobiles, which are produced in the Skoda factory. It is believed that these cars will be produced in the USSR.
4. It is reported that Skoda-ASAP will build a branch factory in Slovakia. This has aroused anxiety among the workers that the Mlada Boleslav factory will be shut down and they will be moved to Slovakia.
5. There is much discontent among the workers with factory conditions as well as with general conditions in the country.
